

## EARLY YEARS PUPIL PREMIUM REPORT 2018-19

### FUNDING

Early Years Pupil Premium was calculated at a rate of 53p per hour per eligible pupil.

Each child receives an additional benefit of approximately £103.00 per term.

Funding must be utilised to support barriers to learning and to support entitled children to make the progress they need in areas they display low starting points.

### IDENTIFYING BARRIERS TO LEARNING

In Usworth Colliery Nursery School we determine the barriers to children's learning to be the areas at which they start nursery education at a lower than expected level.

These outcomes are recorded when children's baseline assessments are completed.

- We know and understand that children may progress well by accessing the nursery curriculum, environment and daily group activities without requiring additional support.
- We know and understand some children's low baseline may indicate they have fewer experiences to build on and apply to their early days in nursery, or may lack confidence in social situations which will develop over time.
- We therefore offer additional support in various ways to meet children's individual needs.
- We assess and track pupils entitled to EYPP and report this to the Curriculum Performance and Attainment Committee.
- It is our aim for these children to meet expected levels of attainment wherever possible and to make above expected progress from their starting points if this is not possible.

This can be through:-

- Individual support, skills development
- Differentiated daily group tasks
- Providing additional adults or decreasing the adult: child ratios
- Targeted intervention and support groups.
- Contribute towards a child's individual support plans if additional Special Educational Needs have been identified and are not met by the above.

### E.Y.P.P. FUNDING 2018-19

<b>Total number of pupils entitled to EYPP FUNDING .....</b>	<b>14</b>
<b>Total EYPP Funding received academic year 2018-19</b>	<b>£4326</b>
<b>Total expenditure .....</b>	<b>£4840</b>

**SUMMARY OF EYPP SUPPORT AND INTERVENTION**

<b>EYFS AREA OF LEARNING BARRIERS TO LEARNING</b>		<b>NUMBER OF CHILDREN</b>	<b>INDIVIDUAL, GROUP OR TARGETTED SUPPORT</b>	<b>COST</b>
